AC Bat

Where Quality Never Sits The Bench

AXIS Bats
The Science Behind The Art of Hitting

Standard Models (Others May Be Available On Request)

AC271	The Tapered Barrel And Thicker Handle Make This The Bat Of Choice For Those Who Want Bat Control And Power. Made From The Most Dense Billets Available This Is A Favorite Among The Top Home Run Hitters In Major League Baseball.
AC243	For Those Who Want An End Loaded Bat For Power Through The Zone This Model Is For You. It's Traditional Knob And Slightly Thinner Handle With A Large Barrel Will Put A Charge Into The Ball And Is One Of Baseballs Most Popular.
AC34	This Bat Was Designed For One Of Baseballs Biggest Stars In Boston. It Has A Comfortable Grip Similar To That Of A 271 With A Long Barrel For An Extended Sweet Spot And Excellent Balance. This Is Our Best Seller.
AC110	A Very Balanced Model With A Slightly Flared Knob For Better Bat Control. Made From Dense Billets And Is The Perfect Bat For Both Control And Power.
AC141	Similar To The 110 But With A Slightly Longer Barrel And A More Traditional Knob. This Bat Because Of It's Design Makes For A Comfortable Transition From Aluminum To Wood.

Standard Colors (Others May Be Available On Request)

AC Bat (Natural - Black - Ebony - Cordovan - Bloodline - Walnut) - AXIS Bat (Black, Rosewood, Amber)
